About ISBPS2025

Spectrum Conferences delightedly welcomes you to its 3rd International Summit on Biopolymers and Polymer Science (ISBPS2025) which is going to be held during July 21-23, 2025 in Frankfurt, Germany.

ISBPS2025 offers a unique opportunity to debate and uncover new research and business potential in the fields of Biopolymers and Polymer Science. The major purpose is to assist researchers and students in this subject in connecting with industry specialists and finding applications for their research, as well as the other way around.

The three-day conference will include plenary & keynote lectures by experienced experts & oral & poster presentations by both contemporary and established researchers.

We are eagerly anticipating the exciting & mind-stimulating presentations at the conference.

We look forward to seeing you in Frankfurt in July, 2025...!!!!

Important Dates

Abstract submission Deadline: January 26, 2025

Early bird registration: December 20, 2024

Standard registration Deadline: January 26, 2025

Organizing Committee Members

Dr. Geoffrey Robert Mitchell
Vice Director - Centre for Rapid & Sustainable Product Development IPL, Portugal

Dr. Feng-Huei Lin
President-Formosa Associate of Regeneration Medicine, Dept-Biomed. Eng., National Taiwan University, Taiwan

Dr. Elke Metzsch-Zilligen
Head of the Division Plastics - Fraunhofer Institute for Structural Durability & System Reliability LBF, Germany

Dr. Michael Carus
Managing Director, Nova-Institut GmbH, Germany

Prof. Magnus Magnusson
University of Iceland, Iceland

Dr. Chamil Abeykoon
The University of Manchester, UK

Dr. Febi Varghese
Director & CEO - Kerala State Nirmithi Kendra, India

Prof. Mariyam Jameelah Ghazali
National University of Malaysia, Malaysia

CONFERENCE CO-CHAIR

Prof. Feng-Huei Lin
President-Formosa Associate of Regeneration Medicine, Dept-Biomed. Eng., National Taiwan University, Taiwan

Title of the Talk: Iron-doped Calcium Sulfide Magnetic Nanoparticles Surface Modified with PVP and SiO₂ as Thermoseeds for Hyperthermia

Conference Chair's Welcome Message

Dear Polymer Scientists, Engineers, and Researchers,

We are delighted to invite you to the **3rd Edition of the International Summit on Biopolymers and Polymer Science (ISBPS2025)**, to be held on **July 21-23, 2025**, in the vibrant city of **Frankfurt, Germany**. This summit offers an excellent opportunity for students, professors, and industry researchers to showcase their work, engage in lively discussions, and explore future directions in Polymer Science and Technology. With a stellar lineup of Plenary & Keynote speakers from around the globe, the event promises a dynamic program that fosters both intellectual exchange and collaboration.

Frankfurt, known for its seamless blend of tradition and modernity, provides the perfect setting for **ISBPS2025**. Easily accessible from anywhere in the world, the city boasts efficient public transport, a rich cultural heritage, and renowned local cuisine. From charming laneways to inviting beer gardens, Frankfurt offers a unique experience for all visitors, ensuring a memorable stay alongside a productive conference.

We extend our deepest gratitude to Mr. M. Ramiz and the organizing committee for their efforts in putting together an exciting program for their generous support. Above all, we thank you, the participants, for being the heart of this conference.

We look forward to welcoming you to Frankfurt, where new ideas will emerge, networks will be strengthened, and lasting connections will be made.

Sincerely,

Geoff Mitchell

3rd International Summit on Biopolymers and Polymer Science (ISBPS2025)

Conference Topics

- Polymer Chemistry and Synthesis
- Biopolymers and Biomaterials
- Polymer Engineering and Processing
- Biodegradable Polymers and Sustainable Materials
- Polymer Nanotechnology and Nanocomposites
- Polymer Chemistry and Drug Delivery
- Biomedical and Biotechnological Applications of Polymers
- Polymer Blends and Composites
- Polymer Coatings and Thin Films
- Synthetic Polymers and Copolymers
- Polymerization Catalysis and Reaction Engineering
- Polymer Recycling and Sustainability
- Polymer-Based 3d Printing and Additive Manufacturing
- Biodegradable Polymers and Green Chemistry
- Polymer Industry Trends and Market Insights
- Biopolymers and Bio Plastics
- Conductive/ Conjugated Polymers
- Material Science Engineering and Energy Efficient Materials
- Active Packaging with Polymer or Biopolymer Composites
- 3D/4D Printing of Polymers & Composite Materials
- Recycling and Waste Management of Biopolymers
- Biopolymers from Renewable Sources
- Polymer Electronics; Optics and Lasers
- Polymers for Defence Applications
- Biodegradable and Sustainable Polymers
- Polymers for Medicine
- Biopolymers for Tissue Engineering and Regenerative Medicine
- Recent Developments in Polymer Science and Engineering
- Environmental Sustainability of Biopolymers
- Bio-Based Materials for Packaging

SOME OF OUR COLLOBORATING PARTNERS

SOME OF OUR MEDIA PARTNERS

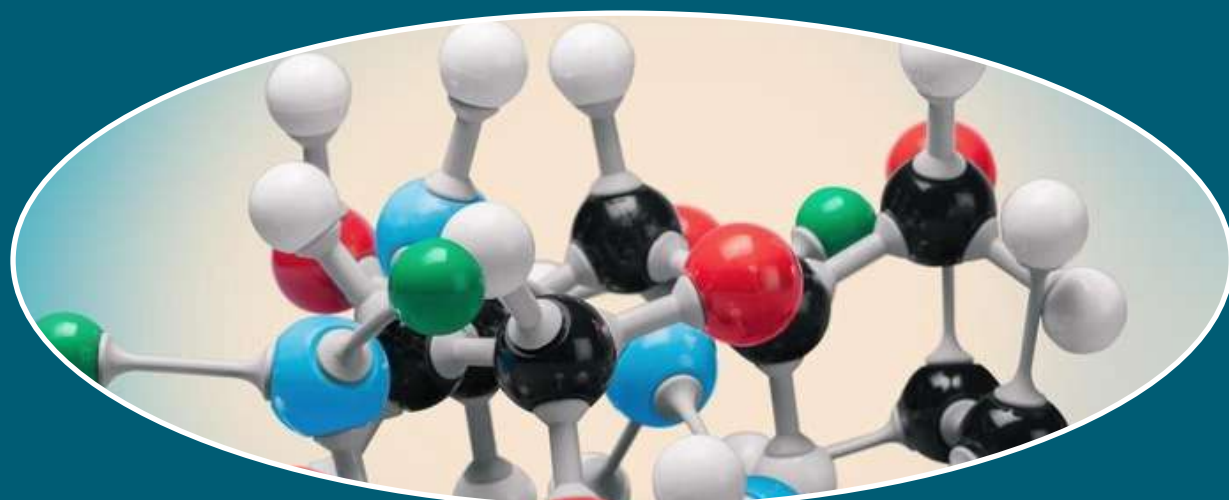

Why to Attend???

- Meet worldwide Experts, Exchange ideas and network with leading researchers.
- Learn and discuss quality initiatives, key news and challenges with senior level speakers.
- Learn skills and stay up-to-date with presentations, panel discussions, roundtable discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
- Greater Focus, participants can gain direct access to a core audience of professionals and decision-makers and can increase visibility through branding and networking.
- New Tips & Tactics you can learn beyond your field or interest.

Who Can Attend?

- Professors
- Associate Professors
- Assistant Professors
- PhD Scholars
- Graduates and Post Graduates
- Directors, CEOs of Organizations
- Head of Departments
- Association, Association Presidents and Professionals
- Research Institutes and Members
- Training Institutes

Conference Opportunities

For Researchers and Faculty Members:

- Speaker Presentations (Oral)
- Poster Display
- Symposium hosting (4-5-member team)
- Workshop organizing

For Universities, Associations & Societies:

- Association Partnering
- Collaboration proposals
- Academic Partnering
- Group Participation

For Students and Research Scholars:

- Poster Presentation
- Young Researcher Forum
- Student Attendee
- Group Registrations

For Business Delegates:

- Speaker Presentations
- Symposium Hosting
- Book Launch Event
- Networking Opportunities
- Audience Participation

For Product Manufacturers:

- Exhibitor and Vendor booths
- Sponsorship Opportunities
- Product Launch
- Workshop Organizing
- Scientific Partnering
- Marketing and Networking with Clients

About Venue

Frankfurt, Germany

Frankfurt, Germany, is a dynamic city known for its modern skyline and rich history. The Romer, a historic city hall, and the picturesque Romerberg square are must-see landmarks. Visitors can enjoy stunning views from the Main Tower's observation deck and explore the Stadel Museum's impressive art collection, featuring works from Rembrandt to Picasso.

The Palmengarten, one of Germany's largest botanical gardens, offers a lush escape with exotic plants and beautifully landscaped areas. No trip to Frankfurt is complete without tasting the local cuisine and apple wine ("Apfelwein"). Traditional dishes like Frankfurter sausages, Handkäse mit Musik, and Grüne Soße can be savored in the city's cozy taverns and lively beer gardens.
