ABOUT ISTAP2026

It is with great pleasure that we extend a warm invitation to scientists, academicians, early-career researchers, industry leaders, and students from around the world to attend the 4th International Summit on Toxicology and Applied Pharmacology, taking place from March 09-11, 2026, in London, UK.

Building on the exceptional success of our previous conferences since 2023, ISTAP2026 is poised to deliver an even more enriching experience. This premier gathering will feature an outstanding scientific program, including key-note and plenary sessions by distinguished experts, thought-provoking panel discussions, and cutting-edge research presentations. Additionally, interactive workshops, poster sessions, and exhibit showcase will provide valuable opportunities for collaboration and knowledge exchange.

This three-day event aims to foster new partnerships, showcase the latest advancements in toxicology and applied pharmacology, and inspire meaningful discussions that shape the future of the field. ISTAP2026 will be an unparalleled platform for networking with global leaders and pioneers.

We look forward to welcoming you to London for this prestigious summit and an intellectually stimulating experience.

Best regards,
Lohitha | Conference Secretary
